The events will be organised by the hosting county. The hosts will be determined by the rota and each event will alternate between the Northern counties and the Eastern counties.

### **Date of the Event**

The events will be held on a Sunday on a date to be determined by the host county. The Rinks will be held around April preferably avoiding any clash with Easter, while the Triples will be held in September.

The organising county will set the opening and closing date for entries.

### **The Format**

The entrants will be placed in groups for the initial stage of the competition, ensuring that they get a minimum of 3 games each.

The highest placed teams in each group will go forward to the Knockout Rounds which will be played down to the final.

### **The Games**

The number of ends to which each game will be played will be at the discretion of the organisers as will the time allotted for each game.

Games will be played to the whistle in the initial stages but the organisers may decide for themselves to play games in the later stages to a set number of ends rather than a set time.

### **ECBA Rules**

This competition's rules will take precedent over the ECBA Rules which will apply in all other circumstances.

## **Code of Conduct**

It is the policy of the Association that all carpet bowlers and spectators show respect and understanding for each other and conduct themselves in a way that reflects the principles of the Association.

All players and supporters of teams are expected to act in a manner which does not prejudice the good name of the English Carpet Bowls Association or their County, and to conduct themselves in a manner that will not have any reproach on the Association or the sport of Carpet Bowls.

The ECBA will not tolerate or condone any of the following from players or spectators either during the event or whilst socialising:

- Drunken or loutish behaviour which causes annoyance to other people (eg causing an unnecessary disturbance such as running and shouting through confined areas such as corridors).
- The use of foul or abusive language in such a manner as to cause offence to the person being spoken to or people in the vicinity.
- Under no circumstances will any form of threatening or derogatory remarks directed at individuals, players or spectators be accepted.
- Causing damage to other people's property (wilful or accidental).
- The theft of other people's property.
